Subject: Update to TCF Policy v2.0 clarifying the obligation for Vendors to provide purpose-specific storage and access information

Dear TCF Participant,

The Transparency and Consent Framework (TCF) Steering Group has approved two minor amendments to Chapter III: Policies for Vendors / Policy 16 2bis, and Appendix B: User Interface Requirements / C(c)(vii) of the TCF Policy, to clarify the compulsory obligation for Vendors to provide a secure URL to a JSON resource that contains purpose-specific storage and access information in accordance with the TCF [Technical Specifications](#).

As [previously communicated](#), Vendors have until 14th July 2022 to apply the necessary change to their registration.

Please note that the latest version of the TCF Policy is Version 2022-06-21-3.5.

Do not hesitate to reach out to us if you have any questions.

Sincerely,

IAB Europe Team
